

# 516 North Armour Street

5 BEDROOMS, 4.2 BATHS  
OFFERED AT \$5,950,000

An incomparable 10,000 square foot modernist masterpiece in the city. This home is a total wow, set on a 50 x 178 foot lot. No expense spared creating optimal indoor/outdoor living; the interiors flow seamlessly to the private yard with professional landscaping, stunning lap pool and hot tub, putting green and outdoor dining area. Five star amenities continue indoors with a fitness center, screening room, golf simulation room and an attached 3+ car garage. Adding to the drama, the all brick home is clad with oxidized Corten steel. Jaw dropping interiors boast 27' ceilings, a sunken living room, dining room, 2 fireplaces and an open concept entertaining area with an impressive Macassar bar. Custom Archisesto chef's kitchen overlooks the pool with integrated Miele appliances, prep kitchen and breakfast room. Master suite with 2 walk-in closets, a large terrace and an opulent marble master bath with soaking tub and steam shower. 4 additional guest bedrooms and baths; a true urban oasis.
